

Wid Deahl **Director of Financial Operations**

Wilburn R. "Wid" Deahl, Jr., is a retired USAF officer with experience in both the accounting/finance discipline and the information technology arena. Although he had many assignments during his career, his favorites are earning his Masters of Business Administration degree in Statistics at The Florida State University and his tour at the United States Air Force Academy.

After retiring, Wid worked at United Services Automobile Insurance (USAA) primarily in the Information Technology department. His resume features roles as a classroom instructor, training course author, project manager, facilitator, quality analyst and business owner. Wid and his wife, Harriet, founded D&B Systems, Inc. in 1981. The company offers bookkeeping, tax services and financial/business consulting to both individuals and businesses. In addition, Wid often assists clients with business startup activities, business planning, project management and corporate governance issues. Wid also has Chief Financial Officer (CFO) experience.

Wid and his wife live in San Antonio, as do their two children and four grandchildren. Wid is active in the Children's ministry at Crosspoint Fellowship Church in Schertz, TX.
